Dear Poola Satish Kumar,

This is to certify that the salary for the payroll period April-2026 pertaining to Mr. Poola Satish Kumar - Employee ID: 133160 was inadvertently credited to the previously registered bank account instead of the newly updated salary account.

This occurred due to a temporary system issue, despite the updated bank account details being duly submitted and recorded in the system prior to payroll processing.

We confirm that the discrepancy was system-related and not due to any delay or omission on the part of the employee. Necessary steps have been taken to review the issue and prevent such occurrences in future payroll cycles.

This certificate is being issued upon request for official purposes.

Should you require any further information or clarification, please feel free to reach out.

Thanks & Regards

Hi Team,

A gentle reminder on the salary credit confirmation request. My loan application is awaiting for this confirmation, so I would appreciate your help in providing it when possible.

Thank you.

Regards,
Poola Satish Kumar.

Subject: Request for Salary Credit Confirmation for Loan Verification

Dear [@Payroll Helpdesk - FSO](#) & [@Sunit Kumar Verma](#),

I am currently undergoing a loan verification process, and the bank has requested a confirmation regarding my salary credit details.

My April salary slip reflects my updated ICICI Bank account details. However, the salary credited on 1 May was deposited into my previous Union Bank account. The bank has requested an official confirmation explaining the reason for this discrepancy.

Could you please provide a confirmation email stating that my bank account update request was approved after the payroll cutoff date and, therefore, the salary credited on 1 May was processed to my previous Union Bank account as per the payroll cycle?

This confirmation is required for my loan application process.

I would appreciate your assistance and support in providing this at the earliest.

Thank you.

Regards,
Poola Satish Kumar
